Welcome to St. Charles School

We are a small school with a big heart! Our mission is to provide for the spiritual, human, and intellectual development of each child in a Catholic environment. Our elementary teachers provide high quality instruction tailored to each student's ability that helps them strive for excellence.

We are a family-centered school community where students of all faiths are welcome. Each student experiences a multi-grade learning environment, which both reinforces past learning and introduces them to higher grade-level content. Our students also enjoy time for art, music, and physical education from our specials staff and plenty of recess time at our large up-to-date playground.

We invite your family to consider sending your child or children to St. Charles School!
