

Family Folder - Wednesday, September 6, 2023

Dear St. Charles Borromeo School parents,

Both teachers and students are excited to begin St. Charles School's 117th year of learning! We had such a great day yesterday, despite the summer-like heat.

This year we are grateful that our music teacher, Mrs. Mariette Donovan, has taken on teaching the 1st, 2nd, and 3rd graders.

We welcome two new families to our school, the Halverson and the Buncak families. Wesley and Addie are both in 4K. Please join me in welcoming them to St. Charles School!

Whether you have been here for many years or are new, I give thanks to God that you are a part of the St. Charles School family! We pray that He will bless us with a happy school year filled with **growth in learning and in our relationship with Him!**

St. Charles Borromeo, pray for us!

Fr. Daniel Sedlacek

Welcome to the new school year (Mrs. Hytry): This year we welcome back our fantastic teaching staff with Miss Donovan teaching our 4K and Kindergarten; Mrs. Donovan is teaching the First, Second and Third graders; and Mrs. Hytry is with the Fourth, Fifth, and Sixth graders. Busy, busy, busy!

God has also blessed us with five new students to our St. Charles school. Addie Buncak, Hazel De Garmo Wesley Halverson, Augie Olson, and Bella Trussoni will join Miss Donovan as 4K students. Welcome to all of these new students.

Strengthening your child's Catholic Faith with Father Sedlacek: Father Sedlacek will be visiting with the students in their classrooms every Friday this school year. Please check the monthly activity calendar for Adoration and Reconciliation dates and times. Please join us if you can.

Daily servers: Attached is the September schedule for serving during the daily masses on Tuesday, Thursday, and Friday. If your child will not be able to be at school by 7:45 AM on their serving day, please let Mrs. Hytry know as soon as possible.

Grandparents Tribute: Please check out the glass doors between the vestibule and the main church for our tribute to our grandparents this weekend. We'd also like to welcome any grandparents to come to school and eat lunch with their grandchild next week, September 11-15. Just fill out the attached form and return it to school as soon as possible so that Michelle can be prepared.

PTO Welcome Back:

- **Welcome kids, parents & staff** to the start of a new year! Hopefully everyone's had a good couple first days!
- Any parent(s) or staff are welcome to join our **PTO meetings** throughout the year. Our first meeting is next **Tuesday the 12th, at 4:30 pm in the gym.**
- If you haven't read the **PTO welcome letter**, that was sent in your packets, please do so!
- Please continue to sell those **butterbraids!!** Any questions or need more forms contact Danielle Trussoni and/or pick up forms/letter in the school office.
- Any questions, concerns or items for the agenda please let me know!
- Jessie Cina: jbutterfly12384@gmail.com

Heads Up! Wednesday, **September 12th**, is the "kick off" for the **Believe Fundraiser** for the students here at St. Charles. This year we will do both the **Believe Magical Holidays Catalog** and the **Spunkmeyer Cookie Dough**. More information to follow following the "Kick Off" at school!

Picture Day: September 13th is our Picture Day. Order forms are included in this packet. **Please return them prior to the picture day.**

Scrip (Megan Olson): Enclosed is an information letter as well as an order for the St. Charles Scrip program. Please touch base with Megan for any questions: 608-385-7815 or mjtrussoni@gmail.com

De Soto Area Schools Message Alert Information per De Soto instructions for inclement weather and/or other school closures:

SchoolMessengerSetup (SMS): We offer text message notification service to all the school families. Please email your cell phone number to: jkreuzer@desoto.k12.wi.us with **SchoolMessengerSetup** in the title. **Three days after you send your request, please text "YES" to 67587 to opt-in to receive SMS messages from De Soto Area Schools.**

- Please note, although this is a provided service, the District is not responsible for any text message charges that you may incur by opting-in to this service. Please check with your wireless provider for specific details about any possible charges. (Jackie Kreuzer, Administrative Assistant, De Soto Area Schools).

Taking care of the body God gave us: With the daily temperatures changing as we move into Autumn please have your child dress in layers to be comfortable at school. A sweater, sweatshirt, or jacket might be needed for chilly morning recesses and can be kept at school just in case. Sweatshirts worn as jackets outside should be taken off and hung up instead of worn in the classroom. Watch the weather to see if shorts are appropriate to wear.

Hunger Knows No Season: Please join us in collecting for the local food pantry! Bring in a nonperishable food item every Tuesday to help those in need. We will place the items in the food basket at the altar before Mass. This is sponsored by the Middle School Student Council. The food items will support the St. Matthew's Food Pantry. **(flier enclosed)**

Highlights for September:

- Friday, the 29th of September is a no school day for St. Charles students.
- Wednesday, the 13th, is picture day
- We'll start History class with writing speeches for Student Council. Students will have time to campaign and give a speech to all the classes. After the voting the Student Council will meet according to Robert's Rules of Order (more or less!) and plan our year. We'll continue with a timeline of our universe, starting with the Big Bang (God said let there be light!) and ending with today. In between the students will learn the oceans and continents, special lines of latitude and longitude, and track hurricanes. 5th and 6th graders will study American History, 4th graders will begin a study of Wisconsin History.
- All classes will start Math with a unit on measurement, including time and money. The rest of the month will focus on reviews of place value, addition and subtraction, introducing decimals, and algebra concepts. We'll also focus on memorizing math facts daily.
- Language Arts will start with a dedication to Grandparents which we'll post on the glass doors in Church. Everyone will review parts of speech, parts of

sentences, and end in creating a perfect paragraph.

- Science finds 6th graders focusing on cellular biology while the 4th and 5th graders begin to learn about atoms and molecules.
- Reading begins with everyone reading a Pourquoi story which tell why a natural event occurs. The students will then write their own using their Language Arts skills. Then everyone will read The Birchbark House, written by Louise Erdrich, a Native Ojibwa whose ancestors lived on Madeline Island in northern Wisconsin, blending American and Wisconsin History studies.
- Religion's first project is a review of the virtues and how we can live a virtuous life in today's world, then we'll get into the book.
- Homework will be highlighted in their agenda and is due the next day unless otherwise stated. Students should be doing their own homework to build the skills of reviewing directions and looking at their notes to refresh their memory. If your child becomes really frustrated please have them call me. My home number is 608-648-2800. I'd like to talk the child through the difficulties rather than leaving them frustrated through the night.
- THANK YOU, THANK YOU, THANK YOU.

Dear Grandparents:

We'd love to invite you to come to our school, see what we're about, and eat lunch with us, especially next week as we honor your art in nurturing your grandchild.

If this fits into your schedule, please sign the section below and return this to school so that we can prepare for your visit.

May God bless you in all that you do for your family as well as our St. Charles Family.

Sincerely,
St. Charles Staff

“WHAT CHILDREN NEED & DON’T NEED”

As a pediatric therapist for more than 30 years, I have come up with a list of what I believe kids need and don’t need. I wish I could have a do-over on a few of these.

What kids don’t need:

1. Cell phones when they’re in grade school. Over the years, I cannot tell you one good thing that can come from this.
2. Unlimited access to social media. There is very little that is healthy on social media for children and it is getting worse.
3. So many toys that they can’t even think of something to want at birthday or holiday times. Too much of anything leaves children unable to be full. They become like buckets with holes in them.
4. Televisions in their rooms. Rooms are for sleeping. Good sleep hygiene is a dying art for too many children.
5. To be able to control the emotional climate of the home. Moody kids should not be allowed to hold the whole house hostage. If a child wants to be moody, he can go to his room and be moody by himself. Everyone else need not suffer.
6. Too much indoor time. Our kids have become hermits with social media and high tech games. It is ruining their social skills. It’s also taking a toll on their physical well-being.
7. Too many activities outside of school. No wonder this generation is so anxiety-ridden. They are overloaded. If we want to teach them to take care of themselves as they age, we must teach them to do that by our example and by limiting their extracurricular activities. Scripture even recognizes the need to rest.
8. To be able to disrespect any authority. Even authority that you as a parent dislike or the child dislikes should still be respected. There will always be an authority in your child’s life even when your child is 50.
9. To always call the shots. Children who get to always choose where to eat, where to play, and what the family does end up being brats.
10. Constant approval and pats on the back. You will not always be around to do this. Children need to learn to be proud of themselves when they do something good whether anyone tells them or not.

What children do need:

1. Rest. They play hard. Their bodies need rest to grow and develop.
2. Uninterrupted family time. The most important people to a child are those under the same roof. Make family time purposeful and protected.
3. Outdoor play time where they can explore and create. All kids need free time to imagine.
4. Rules and expectations. Be clear. Be concise. And don’t be afraid to give them.
5. Consistent discipline. If a rule is broken, a child needs to know what to expect. All fear is not a bad thing. There is a fear that can represent respect.
6. Parents who love them and love each other. Security begins here.
7. For you as a parent to say “no” sometimes. Your child does not need a lollipop or a new shirt every time you go to Walmart.
8. Hugs. Physical touch affects the development of children.
9. The ability to share their feelings about anything as long as they are respectful.
10. The most precious gift that a parent can give any child is to demonstrate a personal relationship with God and consistently teach that child through your actions what having faith in God really means. In the toughest times of their lives, they will learn in large part to rely on God by the example you display for them.

ST. CHARLES SCHOOL SCRIP PROGRAM
(Megan Olson: 608-385-7815 or mjtrussoni@gmail.com)

Dear Families and Friends,

Thanks to everyone that has continued to use Scrip. For those that are not familiar with Scrip, Scrip is a year-round fundraising program where you can buy gift cards from over 750 brands and earn money for St. Charles PTO while you shop. You purchase gift cards at face value, and we earn a certain percentage back. The percentage earned is dependent on the brand. During the 2022-2023 school year, we earned \$1480 from the Scrip program.

You can start earning money today by downloading the RaiseRight app or joining on raiseright.com/shop. The PTOs enrollment code is 5ADDDA5E65615.

There are multiple options of buying gift cards for places you are already shopping at every day. If you download the app or join online you can immediately purchase ScripNow (e-gift cards). Some popular brands you can get e-gift cards for are Amazon, Walmart, Starbucks, Best Buy, Target, Kohls, and so many more. When you purchase ScripNow gifts cards, by either linking your bank account or using your credit card, you can immediately start using those gift cards in stores with your phone. There is a higher fee for using your credit card, so I suggest linking your bank account. This may take a couple of days to set up but is very easy to do.

Another option is purchasing physical gift cards. Not all brands offer e-gift cards, plus, some people like having a physical card in their hand. If you order physical gift cards online or through the app, these orders have to be placed through the coordinator (me) and are shipped directly to the school. Your order will remain pending until I place a bulk order.

Please keep in mind, there is a shipping charge associated each time an order is placed for physical gift cards. If there are not enough orders from families to cover the shipping costs, I'll wait to place the order until enough orders come in. I'll notify anyone that has an order waiting if this happens. Once the order is placed, it only takes a few days for the cards to arrive at school.

The last option is the Reload option. Once you have a physical gift card and if the store has a reload option, you can add more money to the card by purchasing this online if you have an account set up. These gift cards can be used immediately in stores as well.

Several times a year I will place orders for physical cards. Order forms will be sent home in the Family Folder and placed in the back of church for those that are interested. More information to come when the first order will be placed this school year.

Please feel free to tell your family and friends about the program. It is really fast and easy to use Scrip once you start doing it. You can even purchase Scrip in the check-out line for those times you buy more than you planned. Contact me with any questions at 608-385-7815 or mjtrussoni@gmail.com. An order form is enclosed.

Thanks,

Megan Olson

2023-24 Butter Braid Fund-Raiser

St, Charles Families,

Here is the information on the PTO's Butter Braid Fund-raiser, which officially begins today **August 31..**

Fund-raisers are very important as they help pay for special teacher salaries, field trips, textbooks, technology, and other school-related expenses.

Our goal is to sell 200 Butter Braids, which means each family needs to sell 20 Butter Braids. We hope we can count on you!

All forms and money must be returned to the school by **Friday, September 8th** and **online selling will be ending Wednesday, September 13.** Checks should be written out to "St. Charles School".

The Butter Braids must be **picked up at the school at 3 PM on Thursday, October 10th.** If you cannot pick them up, please reach out to someone who is able to pick them up.

SHARE THE GOOD

MORNING. EVENING. ANY TIME.

A slice of a Butter Braid pastry makes any day better—great for breakfast, desserts, appetizers, and special occasions. Share the Good. Order today.
