September has really flown by. We are getting into a routine and learning what is expected as we participate in our classrooms and at church. We have enjoyed having our grandparents come for lunch this week. It has been nice having them see a little piece of what our day is like.

Message from Father

Yesterday we celebrated the memorial of Our Lady of Sorrows. Mary reminds us that throughout our lives there are various mysteries, some joyful, some glorious, and some sorrowful. The sorrowful mysteries are not something we should just try and get over with as soon as possible, but like Mary we are called at times to stand by the cross of others and share with them true compassion along with the hope of the resurrection. On this feast day we ask that we might have the courage to enter into the sorrowful mysteries of others.

God bless,
Fr. Reither

Reading Minutes

We are halfway through September. Hopefully, that means your child has read at least 150 minutes so far. Reading minutes will be due October 1. I hope we can reach our collective goal of 5,000 minutes for the ice cream treat reward!

Wishlist Donors - Thank You!

Thank you to everyone who helped our teachers fulfill their wishlists! We greatly appreciate all the gifts we have received. We feel the love and support for our little school with a big heart.

Thank you!

Can Tabs

We are collecting can tabs again this year for the Ronald McDonald House. You can drop them off in the front vestibule of school, on the little desk as you enter, or in the back of church. It is a great cause that “helps families feel at home. Even when they can’t be” by providing a place for the ill child and their family to stay during medical treatments. The Ronald McDonald House believes “when families are together, they cope better. We believe no family should have to deal with their child’s medical crisis alone.”

Quick Survey

Please take a minute to fill out the quick survey asking two questions. One question is about Flocknote. We have heard some people are having trouble receiving the Flocknote communications, so we want to figure out who is and is not able to view them. The other question is to see how you would like to receive the newsletter.
